

## Life in Juno Beach

Step outside your front door at The Waterford and you'll be within easy reach of all the natural beauty and in-demand destinations of Juno Beach. Home to pristine coastline and a blissfully laid-back beach town lifestyle, our hometown is a highlight of Palm Beach County. With the Intracoastal Waterway on one side of our barrier island and the Atlantic Ocean on the other, daily life in this town includes plenty of recreation, conservation and simply delicious seafood. Gather up some friends and enjoy a day on Juno Beach Pier, or watch the surfers and kiteboarders hit the waves from Juno Beach Park. No matter what you're looking for, Juno Beach has it all, and The Waterford makes it easy to enjoy every moment on and off our campus.
