

The beauty of life on the coast is clear.

Welcome to The Waterford.

Since its founding in 1982, The Waterford has established an exceptional benchmark for Life Plan living in Juno Beach, Florida. From its idyllic location to its resort-style accommodations and unsurpassed healthcare offering, The Waterford delivers a supportive, enriching and secure way of life in Palm Beach County.

Excellence runs in the family.

As a part of Lifespace communities, The Waterford is part of one of the nation's leading nonprofit providers of senior living opportunities. Serving over 5,000 seniors across multiple states, Lifespace Communities has an unsurpassed record of creating beautiful and welcoming spaces for more than 40 years.

Not just where we live. It's who we are.

For our staff and residents, Juno Beach is a source of pride and joy. Residents remain actively engaged in the community around us, serving as volunteers and office holders, and participating in every aspect of civic life in this culturally vital city.

We're widening our horizons.

The ongoing expansion of The Waterford is increasing both the scope of our community and the high standard of living our residents already enjoy, thanks to the addition of 92 luxury living options, including duplexes with private garages and a choice of coastal vistas. The expansion will also enrich life for all our residents with new dining, gathering and living amenities.
