

Join the club. Or join all of them. Resident Programs at The Waterford.

As new residents of The Waterford soon learn, “You don’t just live here; you belong here.” With more than 20 different clubs to belong to, and a robust calendar of activities, excursions, exhibits and performances to pursue, you may have to schedule time to stop and smell the bougainvillea.

As active members of the Juno Beach community, The Waterford regularly hosts local experts, historians, artist, authors, biologists and more for thought-provoking lectures and events that touch on the nature, history and fascinating lore of South Florida.

Thanks to a special partnership with the PGA National Resort & Spa, Waterford residents enjoy complimentary membership privileges, allowing access to golf courses, tennis courts, croquet, a modern fitness center and social functions, as well as discounted rates on spa services and hotel accommodations.

Our staff enrichment team works closely with a group of resident volunteers to identify new programs, events and interest groups. We look forward to adding your voice to the conversation when you make your move to The Waterford.
