### Dining at The Waterford

The Waterford takes pride in the varied dining options served by our culinary team. All meals here are prepared and served under the close supervision of our dining director.

In our Formal Dining Room, residents enjoy attentive table service and an ever-changing menu of seasonal house-made specialties with a focus on locally grown, raised and caught provisions from the abundant land and waters of South Florida.

At the Grille Room, casual dining options are available at both lunch and dinnertime. Grille Room fare can be enjoyed on-site, carried out to your private lanai or enclosed sunroom or taken home to the privacy of your residence.

Our culinary team at The Waterford also proudly hosts programs each month that feature unique and varied culinary experiences for all our residents.
